Be a researcher-presenter-writer !! All teachers welcome !!

DO A 'MINI-RESEARCH' ON A QUESTION WHICH INTERESTS YOU!

You may have worried about

◆ What do my learners think about textbooks? ◆ How do my learners feel about classroom activities? ◆ What do they want from their English teachers? ◆ Why are some students passive? ◆ Why do my learners rarely do their homework? ◆ How do my learners feel about examinations? ◆ Are my learners just not interested in studying? ◆ What are they interested in then? ◆ ...and hundreds of other questions!

WHAT CAN YOU DO?

- Choose an issue or question of your interest
- Spend next few months systematically studying it in your school/ classroom
- Draw conclusions, lessons and findings from your study
- Present a research paper at AINET 2016 to share them with others

WHAT WILL AINET OFFER?

- Support you at every step from identifying an issue and preparing a research plan to collecting and analyzing data, drawing inferences and finally preparing and presenting a paper
- Heavy discount in participation fee to all those who complete their studies and present at the *AINET 2016* conference
- A chance to win awards and prizes for your wonderful studies
- A chance to get your study published by reputed publishers
